India will complete the 75 years of Independence on 15th August 2022 but India will celebrate the 76th Independence day. We all have a little more patriotism within us than we exhibit. When The country wins, when the country makes new records, we shine up with pride & there is a feeling of mutual happiness that prevails in the country the next day. We love the Himalayas more than Kilimanjaro & respect the diverse culture that makes us all one. There is no country like India & We are proud to be #Indians.

CESA brings to you the Independence Photography Contest about Celebrating India through pictures. It's time to revisit your photo gallery & show the world your Shade of India.
