Date of conducts : 24/08/2022

Category: Non-Technical

ACM Count : 25

Non-ACM Count : 250

Total Attendees: 275

Details:

Mr. Raghav Koli inspired Students in their personal lives, academic pursuits, and other facets of life with his excellent motivational address. He has a book, and he told us about it, describing it in detail and even getting us to envision parts of it. Instead of delivering a dry motivating lecture, he cracked jokes and had the full attention of every student. Mr. Raghav Koli even offered grant-discounted copies of his book to pupils.
