Title of the activity : Introduction To Git & GitHub

Date of conducts : 13/10/2022

Category: Technical

ACM: 20

NON-ACM: 40

Total Attendee: 60

Details:

GitHub is most important thing to be used in the software world or say the tech world. Students Should know what Git and Github is and so we organized a session on intro to Git and Github with collaboration of GDSC PCCOE to deliver it. We covered the basics of Git & GitHub and also made students do hands-on experience on it to ensure proper learning.
