Our HSC Cell, aims to promote higher education awareness among the students and motivate them for pursuing higher education. We are glad to inform you that, we are here with " ✈️ **LEARN TO FLY, FLY TO LEARN** ✈️ " session which is an informative and awareness session to help you pursue your masters abroad for the academic year 2022- 23.

With the emerging opportunities for grabbing knowledge, it becomes important for us to propagate these opportunities in higher education. Here's our alumni **Chirag Khachane** from our branch who is going to pursue his Masters and currently is an application Development Associate at Accenture,Pune. He is going to deliver an amazing and informative session on Master's journey abroad. Topics he covered are :

1. A perfect ROADMAP for master's abroad.

2. How and when to prepare for GRE, IELTS and TOEFL.

3. How to select universities wisely.

4. How to save time in searching for universities and their websites.

5. How to get authentic and appropriate information about universities, their rankings and programs they offer.
