Mission Security

Department: Computer Engineering   **Academic Year:** 2022-23

CESA   **ACM**

Type of Conduct: Offline

Title of the activity : Mission Security

Date of conducts : 19/10/2022

Category: Technical

ACM: 14

NON-ACM: 42

Total Attendee: 56

Details:

Cyber Security is one of the most emerging domain in Computer Science, it is essential for one to have a sort of understanding, being a computer engineering student, PCCOE ACM Students Chapter, Team CESA along with OWASP Students Chapter organized an informative session "Mission Securify". Arya Kaslikar, Sahil Bomblee and Deep Dhakate (Student Coordinators of PCCOE OWASP Student Chapter) were the speakers. The session started with "what is cyber security", its need, and career opportunities in the market, followed by a small practical example.
